

does LPS effect on degree differ by treatment period?

obs = 0.6, one-sided p = 7e-04, permutations=10000

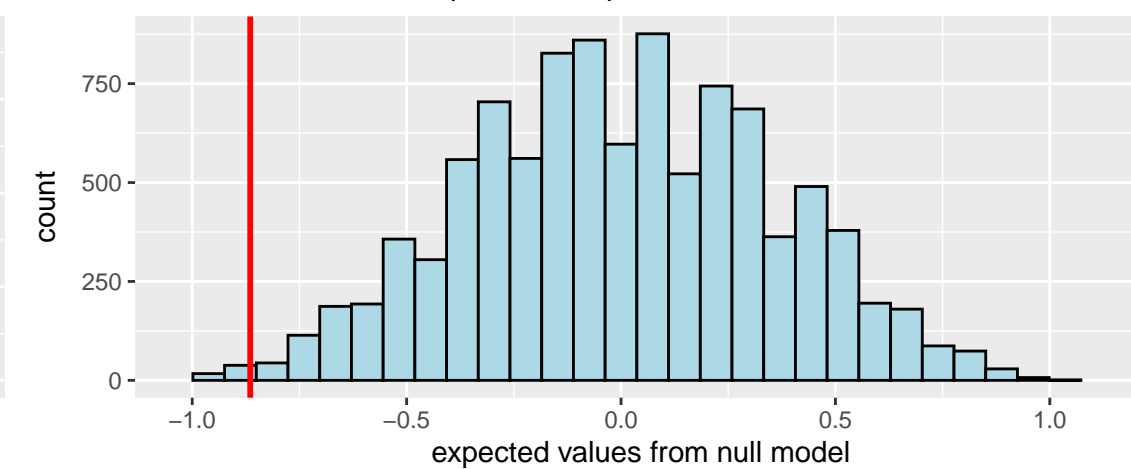

does LPS affect degree?

obs = -1.47, one-sided p = 0.9996, permutations=10000

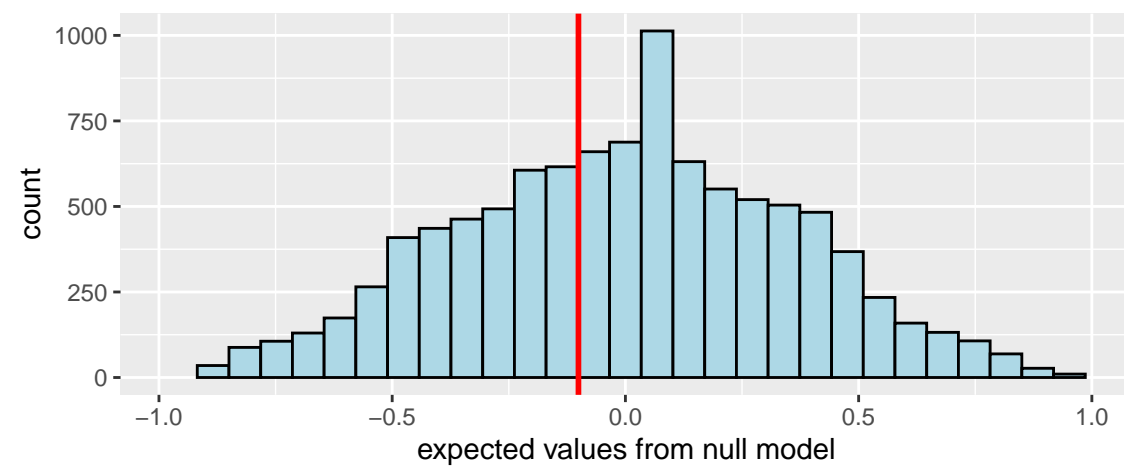

does LPS affect degree in treatment period?

obs = -0.86, one-sided p = 0.9962, permutations=10000

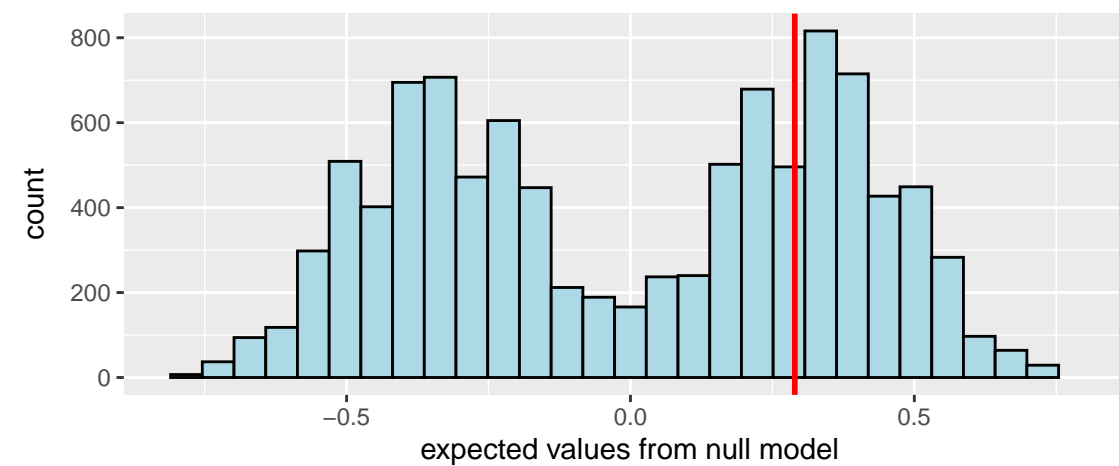

does LPS affect degree on day 2?

obs = -0.1, one-sided p = 0.6157, permutations=10000

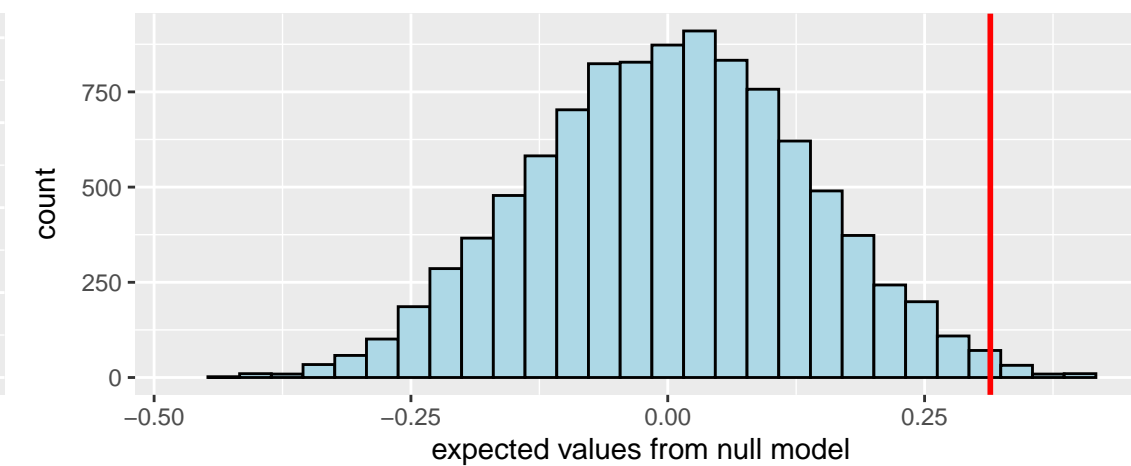

does LPS affect degree in post-treatment period?

obs = 0.29, one-sided p = 0.2953, permutations=10000

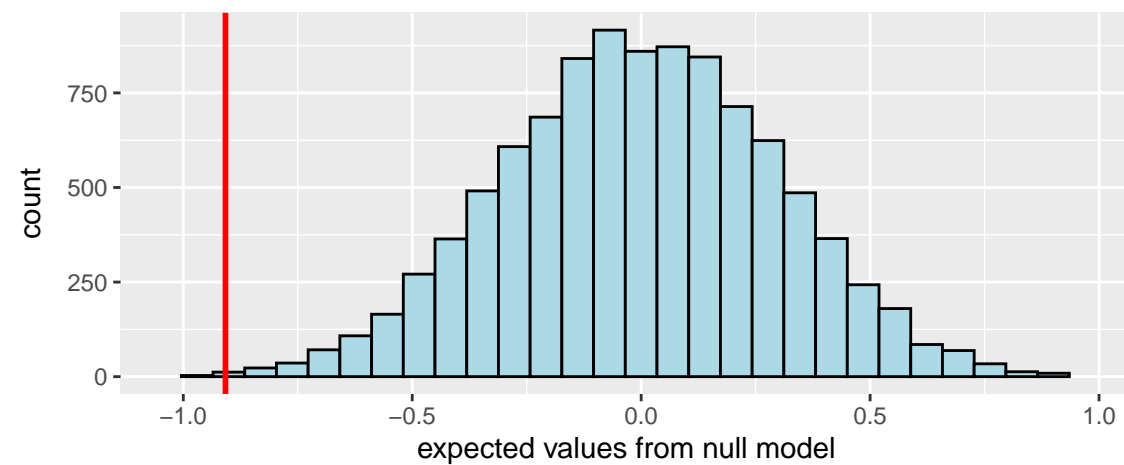

does LPS effect on strength differ by treatment period?

obs = 0.31, one-sided p = 0.0067, permutations=10000

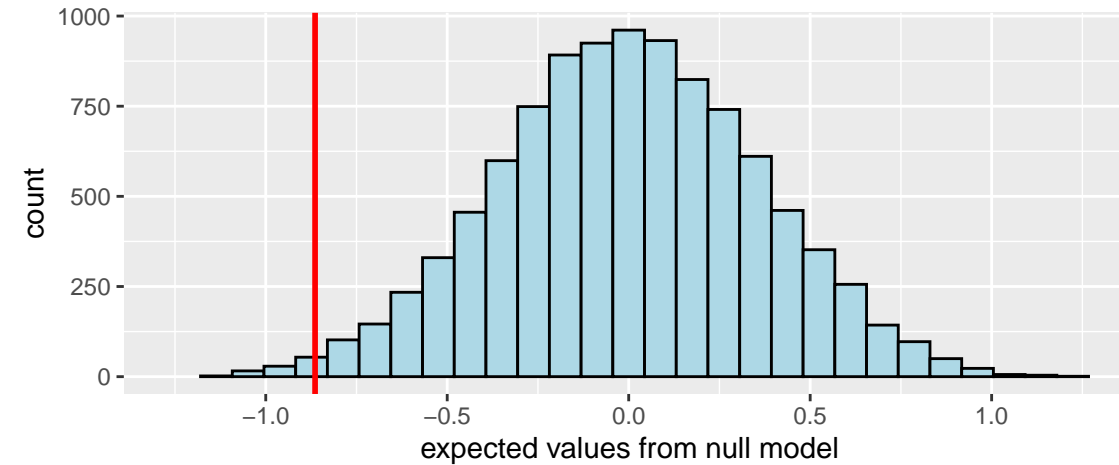

does LPS affect strength?

obs = -0.91, one-sided p = 0.9989, permutations=10000

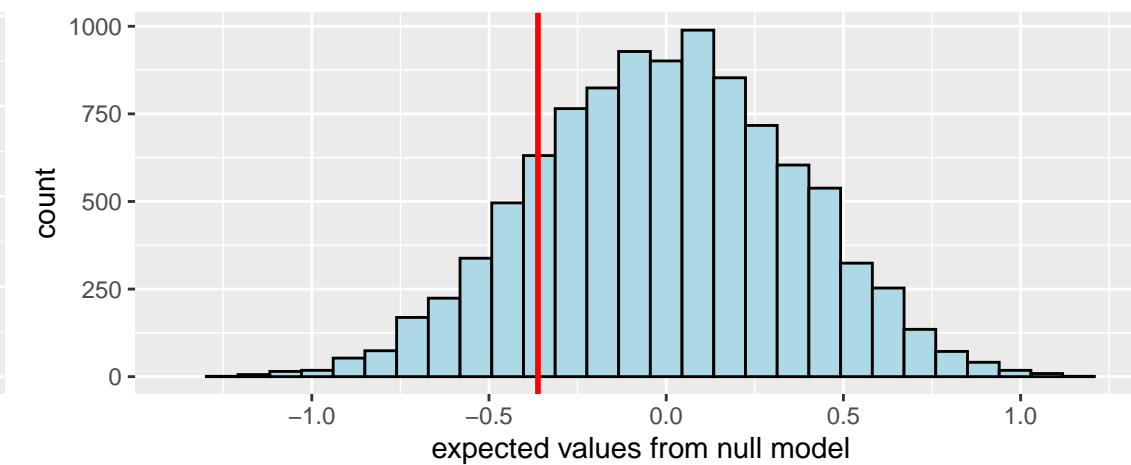

does LPS affect strength in treatment period?

obs = -0.86, one-sided p = 0.9921, permutations=10000

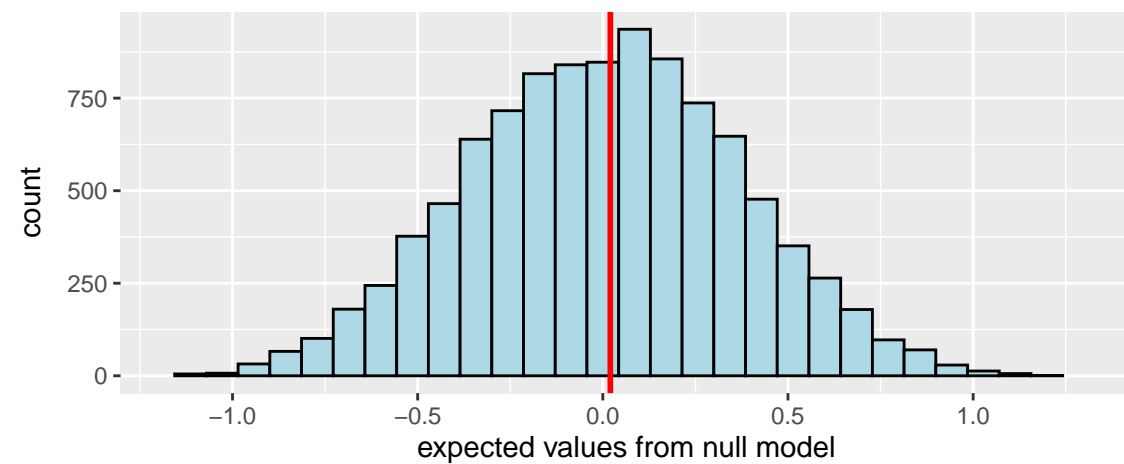

does LPS affect strength on day 2?

obs = -0.36, one-sided p = 0.8321, permutations=10000

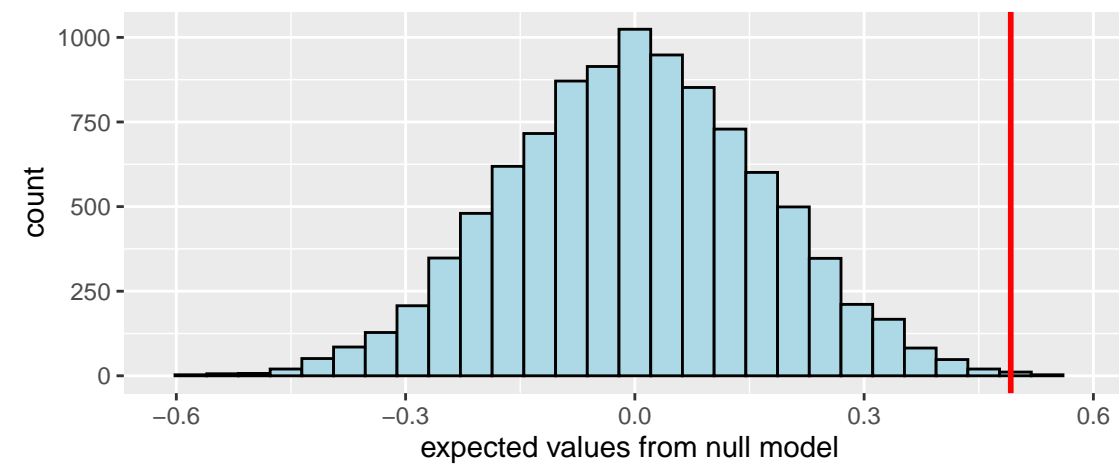

does LPS affect strength in post-treatment period?

obs = 0.02, one-sided p = 0.4893, permutations=10000

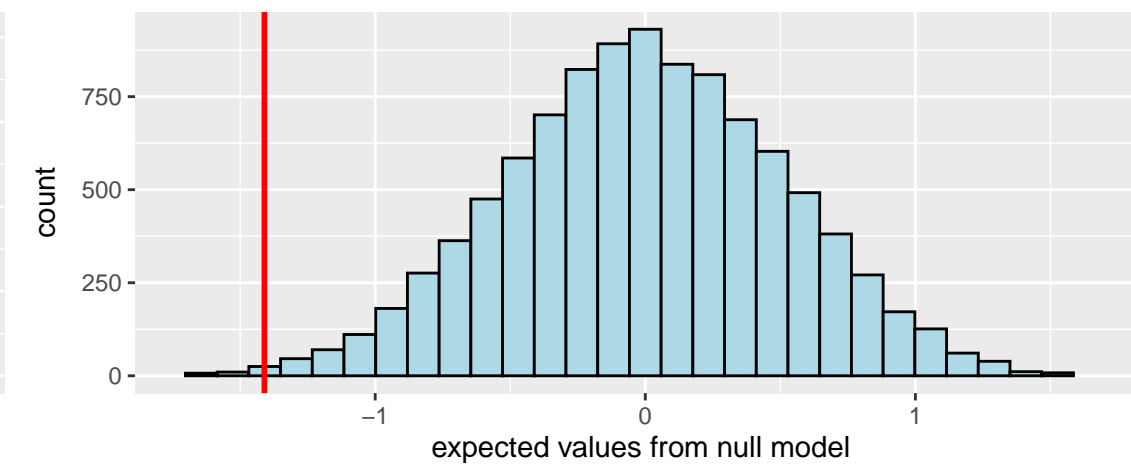

does LPS effect on eigenvector centrality differ by treatment period?

obs = 0.49, one-sided p = 0.0012, permutations=10000

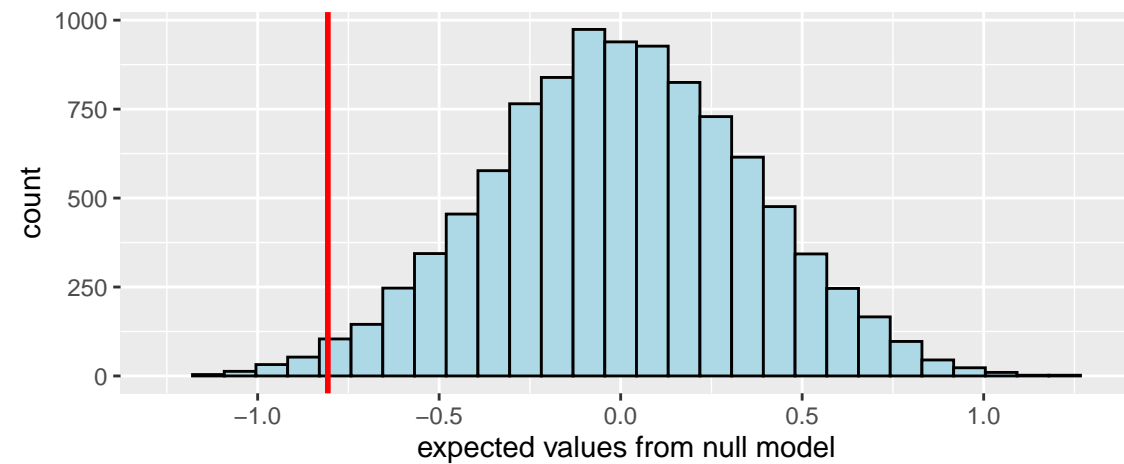

does LPS affect eigenvector centrality?

obs = -1.41, one-sided p = 0.9973, permutations=10000

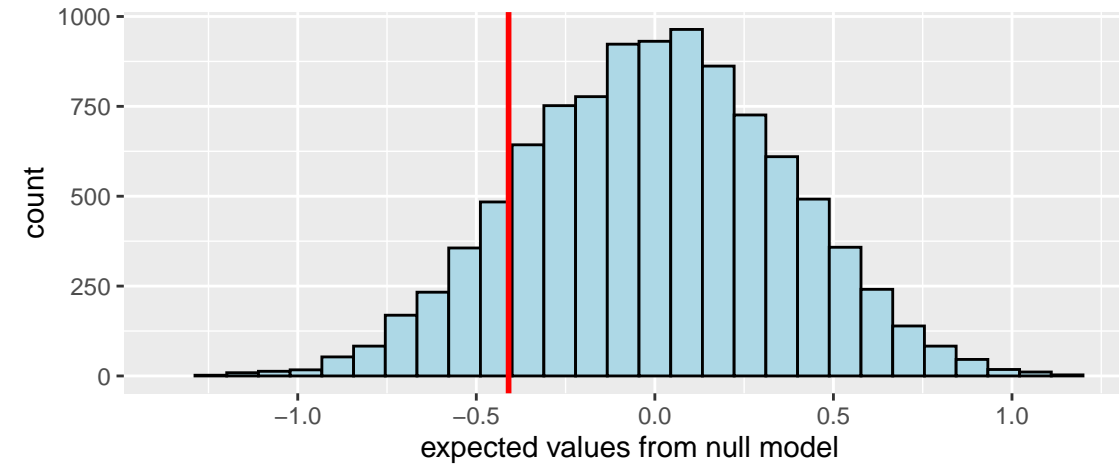

does LPS affect eigenvector centrality in treatment period?

obs = -0.81, one-sided p = 0.9873, permutations=10000

does LPS affect eigenvector centrality in treatment period?

obs = -0.41, one-sided p = 0.8634, permutations=10000

does LPS affect eigenvector centrality in post-treatment period?

obs = 0, one-sided p = 0.5119, permutations=10000
