

does LPS effect on degree differ by treatment period?

obs = 0.21, one-sided p = 0.077, permutations=1000

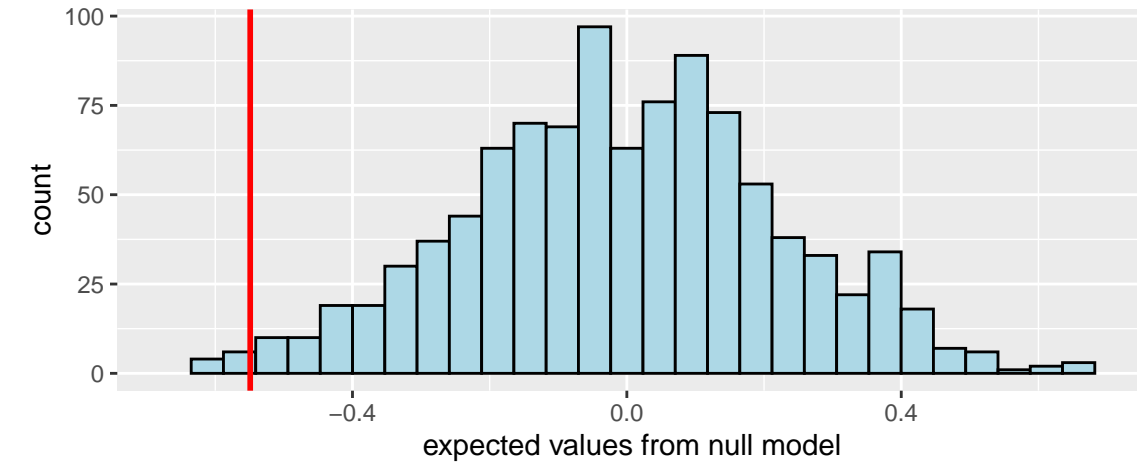

does LPS affect degree?

obs = -0.69, one-sided p = 0.99, permutations=1000

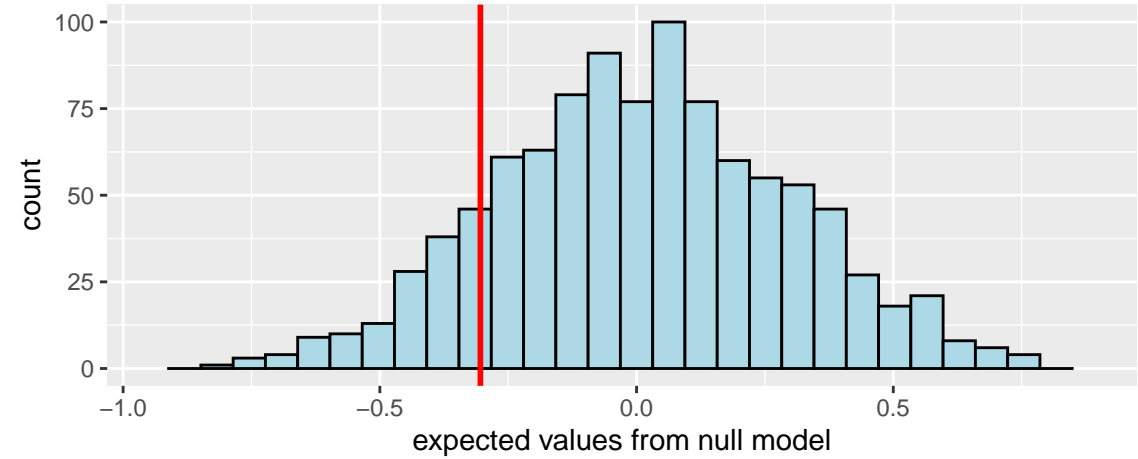

does LPS affect degree in treatment period?

obs = -0.55, one-sided p = 0.987, permutations=1000

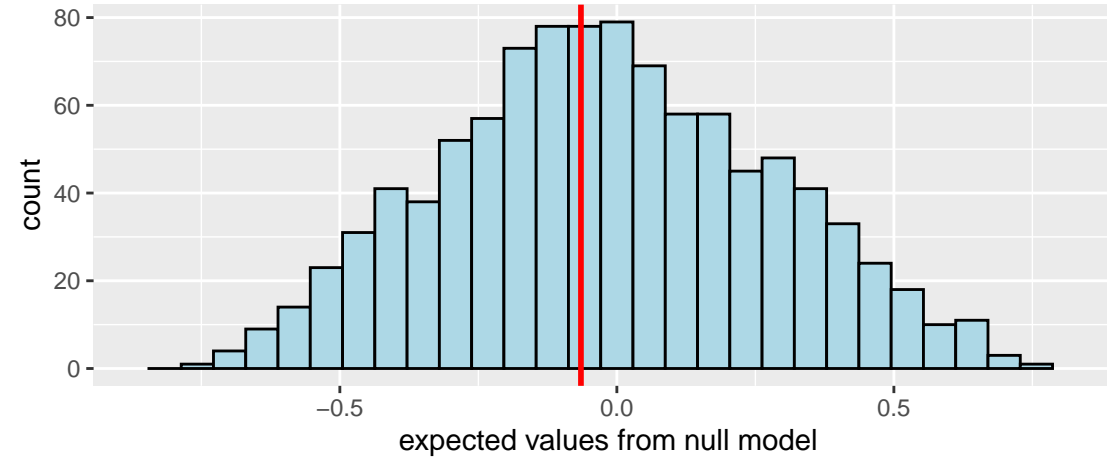

does LPS affect degree on day 2?

obs = -0.3, one-sided p = 0.862, permutations=1000

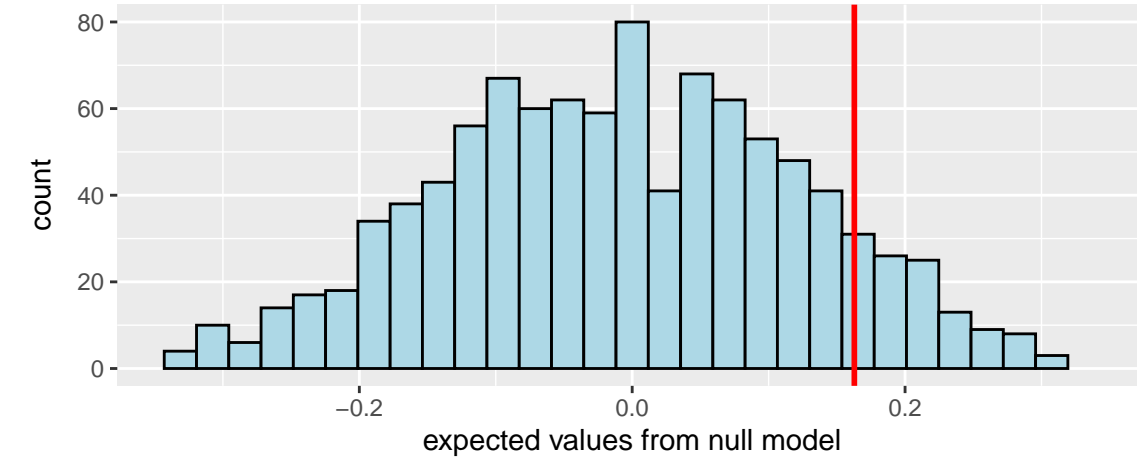

does LPS affect degree in post-treatment period?

obs = -0.06, one-sided p = 0.552, permutations=1000

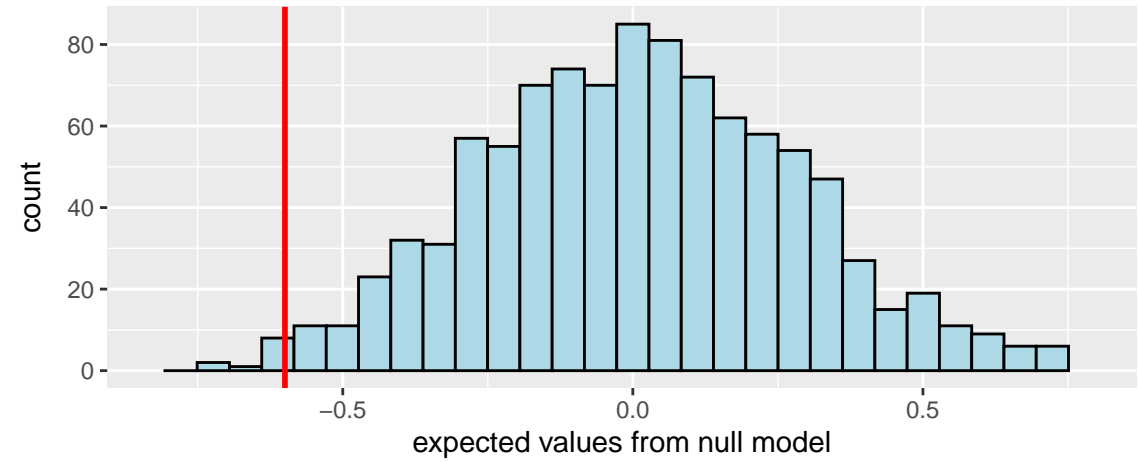

does LPS effect on strength differ by treatment period?

obs = 0.16, one-sided p = 0.103, permutations=1000

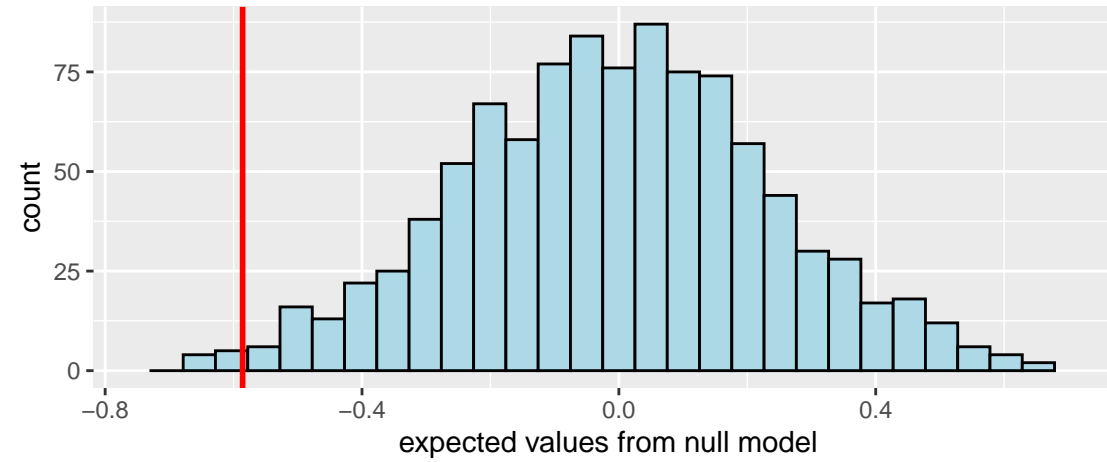

does LPS affect strength?

obs = -0.6, one-sided p = 0.99, permutations=1000

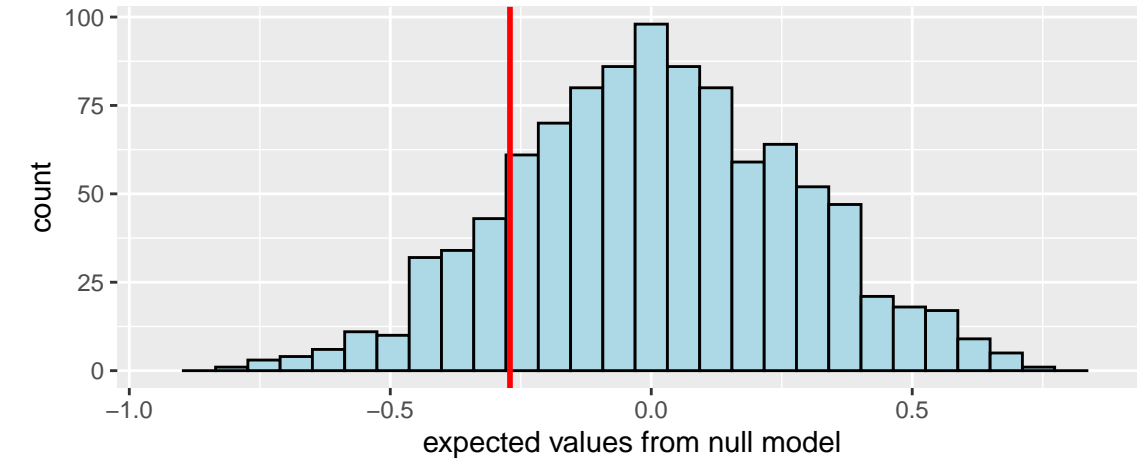

does LPS affect strength in treatment period?

obs = -0.59, one-sided p = 0.99, permutations=1000

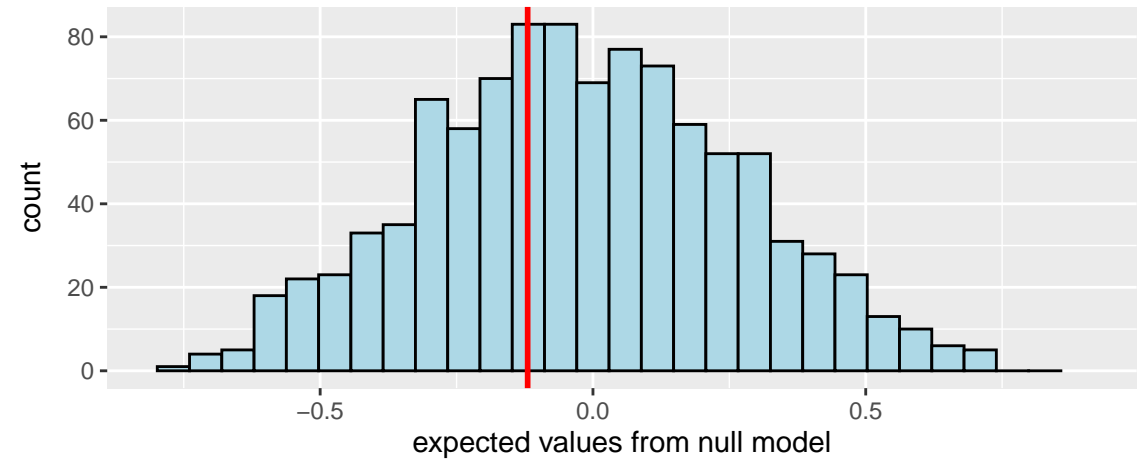

does LPS affect strength on day 2?

obs = -0.27, one-sided p = 0.847, permutations=1000

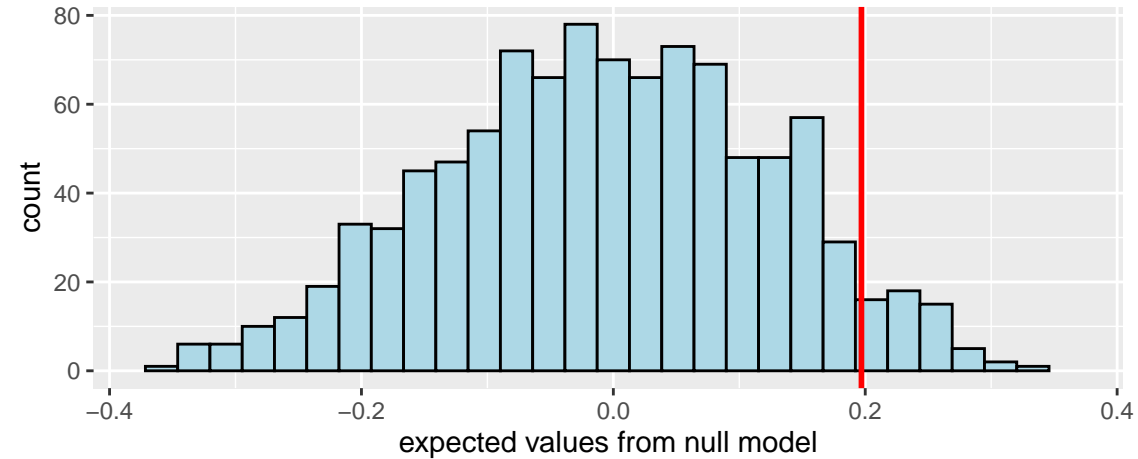

does LPS affect strength in post-treatment period?

obs = -0.12, one-sided p = 0.626, permutations=1000

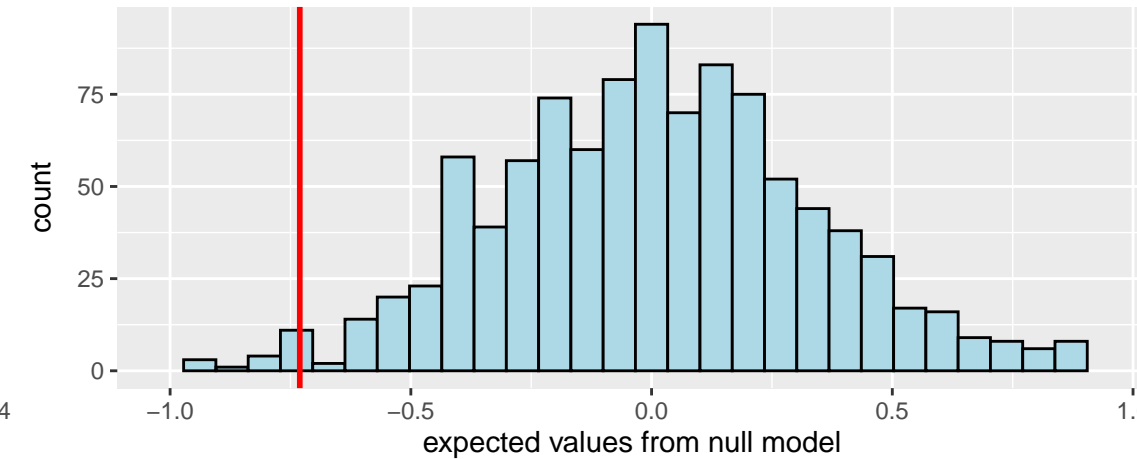

does LPS effect on eigenvector centrality differ by treatment period?

obs = 0.2, one-sided p = 0.055, permutations=1000

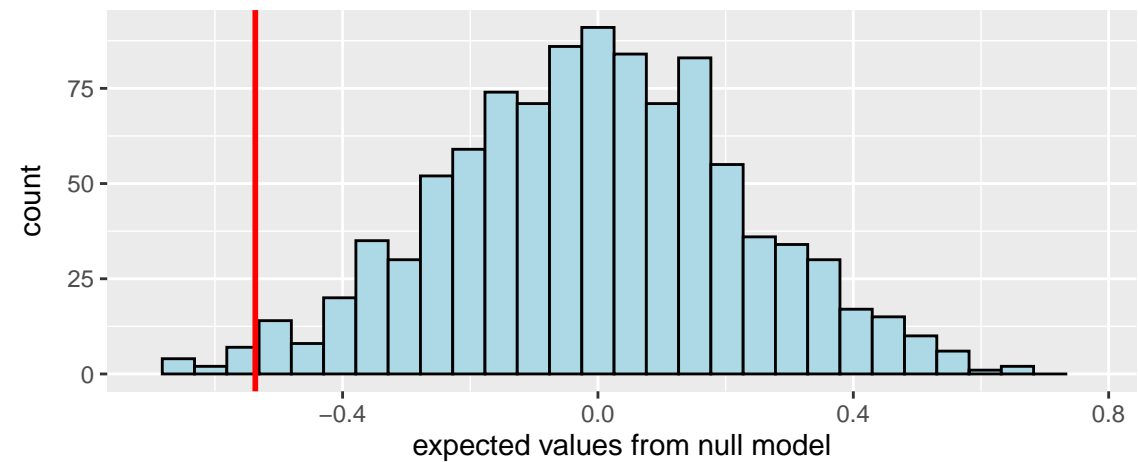

does LPS affect eigenvector centrality?

obs = -0.73, one-sided p = 0.984, permutations=1000

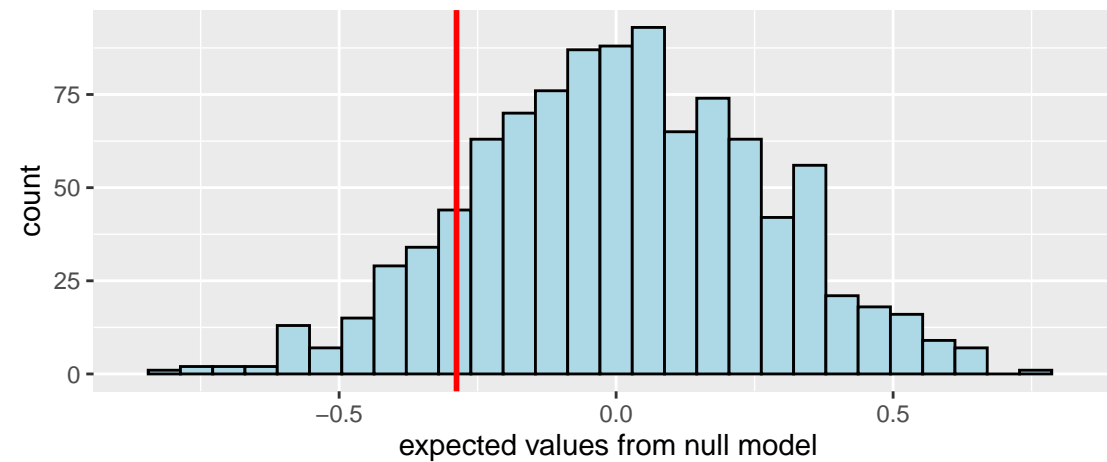

does LPS affect eigenvector centrality in treatment period?

obs = -0.54, one-sided p = 0.985, permutations=1000

does LPS affect eigenvector centrality in treatment period?

obs = -0.29, one-sided p = 0.876, permutations=1000

does LPS affect eigenvector centrality in post-treatment period?

obs = -0.18, one-sided p = 0.691, permutations=1000
